The trailer on John's property is occupied once again. He is trying to find out from his neighbor the intention for the trailer.

Jeff participated in a zoom call regarding potential solar farm installation in and around the township. Samsung is the company initiating the projects. Trustees will stay informed regarding the potential project.

The flagpoles that were ordered for the two cemeteries were delivered. The Trustees will work on arrangements to get the flag poles in the ground. The target date for install is Memorial Day.

**New Business**

Deputy Mitchell did not have any news to report. Ben asked for more frequent patrolling in Magnetic Springs by the officers.

Ben informed the Trustees that the Zoning Commission is meeting one more time this month to finalize the new zoning rules. He is gearing up to start cemetery maintenance for the season.

Jeff heard from Chief Cook that Corey Schlip has resigned his position at Leesburg Fire Dept. Chief will give Corey an exit interview to gain some insight on the resignation.

There was a demo at the firehouse from a company selling dry vapor fire extinguishers. They can put out small fires quickly with no fog or haze after spraying, for easier visibility.

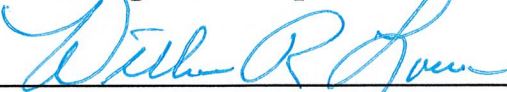

The Union County Engineer ground stumps at Hopewell Cemetery and back filled the spots. We will send them a thank you note for their efforts.

Mellisa informed the Trustees of some state taxes the auditors found that were not filed correctly in 2016 & 2017. Mellisa filed the appropriate paperwork online and rectified the situation.
