Zoning had two permits written in May, one for a house and the other for an inground pool. Nigel was approached by Cheryl Pounds, neighbor across from firehouse, asking to waive a permit fee for a shed she wants to put on her property. Bill would like to see a blueprint of the shed she plans to put on her property before we discuss waiving the fee.

Nigel sent the Pit Stop a letter regarding zoning issues and sent a copy to Thayne Gray, Assistant Prosecuting Attorney of Union County.

Chief Cook presented the new Leesburg Township website that Sarah has been working on. The website is scheduled to go live mid-July. Kevin asked Chief to relay the message that her efforts are greatly appreciated.

Chief Cook reported 10 runs last month and only two night runs were not covered by LTFD. The schedule for July is sparse. He also relayed that he is renewing the Responsoft annual subscription.

Deputy Lavan made an appearance at the meeting. There was nothing to report on his end.

Fire Chief Tim Merrick was attending the Liberty Township meeting tonight to see what their Trustees think about merging with LTFD. Leesburg Trustees will attend the meetings at Northern Union County and Northwestern fire districts this week. The Leesburg Township Trustees agree they want to keep the fire volunteers and keep John as Fire Chief.

The house next door to the firehouse can not be burned. It is closer than the 1000' rule from near-by structures. The next step is to demo the house. Chief Cook has the asbestos sheet to give to whomever will be tearing it down.

Jeff made a motion, seconded by Kevin, to purchase a Milwaukee air blower for the firehouse. It can be useful in grass fires and uses the same battery as our tools. Motion passed unanimously.

The Trustees let Ben know he's doing a good job taking care of the cemeteries and they look great.
