**Minutes of Leesburg Township Meeting  
Held Monday, July 11th, 2011**

The Trustees of Leesburg Township met in regular session at the Leesburg Township Fire/Road Maintenance and Storage Facility at 7:30 PM.

The following members were present: Jeff Robinson, Bill Lowe, Gary Cunningham and Clerk, Annette Chapman.

Others in attendance were: Fire Chief, Jim Hall, Malcolm Manville, Ben Laird, Deputy McKinear, Duncan Myford, Randy Riffle and Jim Wiley, both from the Northern Union County Fire Department.

The meeting was called to order by Chairman, Bill Lowe.

Minutes of the meeting held June 6, 2011, were read and approved. Jeff Robinson made the motion to accept the minutes. Seconded by Gary Cunningham. Vote - Cunningham (yes), Lowe (yes), and Robinson (yes)

**Old Business:**

Jeff Robinson reported having stopped several times to find Curtis Wykoff to discuss Magnetic Ball Field activities. Jeff was unable to find Curtis at home, Robinson will continue trying.

Bill Lowe suggest he start talking with Melissa Chase of the Prosecutor's office about the Magnetic Ball Field and what it might take to have the Township take it over this coming Spring.

Deputy Kinnear stopped in to see if the Trustees needed anything - with no new issues the Deputy reported that he would provide status report next month.

Ben Laird, Zoning Inspector, reported not much activity, only a couple permits have been purchased this past month.

**New Business:**

Duncan Myford was also in attendance to confirm that his deed to cemetery lots at Maple Dell cemetery provided him with 4 spots (not 2) and to see what might be available in addition for him to purchase (only if he could get

4 spots for the \$250 fee). Bill Lowe promised Myford he would have his information by next meeting (August 1<sup>st</sup>).

Jeff Robinson meet with the Northern Fire District members on June 9<sup>th</sup> - Randy Riffle and Jim Wiley are attending this meeting to present a proposal to the Leesburg Township Trustees. Randy reported the Township currently owes \$21,000 to the Fire District for the EMT Contract, although an agreement on the contract has not been signed off on. Riffle and Wiley suggested the Fire District dismiss the Township of the debt if the Township gets their EMT Squad up and running by January of 2012.

Riffle reported the township EMT members are currently backing them up and doing a very good job of it. He suggested that we use the funds due them to purchase whatever equipment/training is needed to get the squad rolling. He and Wiley also promised to provide any help the Township need to make this happen and could not say enough about how valuable our location is for the County - being 20 minutes from Union County Hospital and Grady Memorial Hospital. Riffle stressed he wanted to see an active EMT on site at Leesburg Township as soon as possible.

Wiley and Riffle both provided valuable information - Life Force Management is the EMS computer program they use, this program also provides billing for services rendered. If Leesburg were to get up and running they could bill \$450 per BLS (Basic Life Support) and \$700 for ALS (Advanced Life Support) which would help support the financial burden of the program.

Again, Wiley and Riffle, both stated Leesburg's Department is currently a very big asset to the community and surrounding communities and would only become a greater asset once up and running.

The Trustees thanked Wiley and Riffle for attending and providing this valuable information and feedback and promised to get back to them with resolution soon.

Fire Chief Hall reported having hosted Hazardous Materials training at the Magnetic ball field. Allen Township's EMA also attended the training.

Chief Hall requested approval for 3 ceiling fans for the Fire Station and will do some research on the cost of this project.

Jeff Robinson thanked Fire Chief Hall, Assistant Fire Chief Manville and Zoning Inspector Laird for their dedication and service to the Township. Lowe and Cunningham agreed.

Motion to pay all bills presented made by Jeff Robinson, seconded by Gary Cunningham. Vote - Cunningham (yes), Robinson (yes), and Lowe (yes).

The following members were present: Jeff Robinson, Bill Lowe, Gary Cunningham and Clerk, Annette Chapman.

Others in attendance were: Fire Chief Jim Hall, Zoning Inspector, Ben Laird, Gypsy Stultz, Kim Saunders, Marcia Duisiedel of the UC Health Department and Deputy McKennon.

The meeting was called to order by Chairman, Bill Lowe.

Minutes of the meeting held July 11, 2011, were read and approved. Gary Cunningham made the motion to accept the minutes. Seconded by Jeff Robinson. Vote - Cunningham (yes), Lowe (yes), and Robinson (yes)

**Old Business:**

Fire Chief Hall reported the radio tower for the 911 back-up system was delivered. There was discussion on where to locate the tower, which is 75 ft tall. Trustees will take a look at the site and get back to Hall on their suggestion as to location.

Hall also provided the Trustees with numbers on what he thinks it would cost to get the EMT squad up and running (report attached). Hall says he has \$1500 in grant money coming for supplies this year. He also reported they have been very busy this Summer but things are going very smoothly.

Jeff Robinson reported having talked with Curtis Wykoff about possibly turning the ball fields over to the Township. Curtis' only concern was the mower - he has about \$700 in mower repairs that he would like to recoupe. Curtis will talk with the ball field board members and get back to the Township.

As a reminder - Fiscal Officer Chapman would like the Trustees to complete and turn in time sheets every month so that they can be filed monthly with the meeting minutes.

**New Business:**

Gypsy Stultz and Kim Saunders attended the meeting to discuss a situation that has come up at Hopewell Cemetery. Gypsy had visited Hopewell Cemetery and reviewed her lot locations with Fiscal Officer Chapman who reported a discrepancy in lot numbers. Fiscal Officer reported having contacted Ms. McCarty and she was willing to relocate her lot to a new site. This corrected the problem and all seemed happy with the resolution.

Marcia Duisiedel, from the Union County Health Department, attended the meeting to see if the Trustees had any new issues she could look into for them. No new issues were reported, and Marcia reminded all there would be a renewal levy coming us this Fall. Gary Cunningham asked about a shingles vaccine, and Marcia reported she did not know but would check and get back to Gary.

It was discussed that the Magnetic Springs Post Office might be on the chopping block. Trustees would like a letter sent to Steve Stivers to let him know that the post office was needed and they wanted to see the State keep it open.
